BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 08.64.326(a) is amended to read:

(a) The board may impose a sanction if the board finds after a hearing that a licensee

(2) engaged in deceit, fraud, or intentional misrepresentation while
providing professional services or engaging in professional activities;

(3) advertised professional services in a false or misleading manner;

(4) has been convicted, including conviction based on a guilty plea or plea of nolo contendere, of

(A) a class A or unclassified felony or a crime in another jurisdiction with elements similar to a class A or unclassified felony in this jurisdiction;

(B) a class B or class C felony or a crime in another jurisdiction with elements similar to a class B or class C felony in this jurisdiction if the felony or other crime is substantially related to the qualifications, functions, or duties of the licensee; or

(C) a crime involving the unlawful procurement, sale, prescription, or dispensing of drugs;

(5) has procured, sold, prescribed, or dispensed drugs in violation of a law regardless of whether there has been a criminal action;

(6) intentionally or negligently permitted the performance of patient care by persons under the licensee's supervision that does not conform to minimum professional standards even if the patient was not injured;

(7) failed to comply with this chapter, a regulation adopted under this chapter, or an order of the board;

(8) has demonstrated

(A) professional incompetence, gross negligence, or repeated negligent conduct; the board may not base a finding of professional incompetence solely on the basis that a licensee's practice is unconventional or experimental in the absence of demonstrable physical harm to a patient;

(B) addiction to, severe dependency on, or habitual overuse of alcohol or other drugs that impairs the licensee's ability to practice safely;

(C) unfitness because of physical or mental disability;

the board in regulations adopted under this chapter, or attempted sexual contact with a
patient outside the scope of generally accepted methods of examination or treatment of
the patient, regardless of the patient's consent or lack of consent, during the term of the
physician-patient relationship, as defined by the board in regulations adopted under
this chapter, unless the patient was the licensee's spouse at the time of the contact or,
immediately preceding the physician-patient relationship, was in a dating, courtship,
or engagement relationship with the licensee;

(10) has violated AS 18.16.010;

(11) has violated any code of ethics adopted by regulation by the
board;

(12) has denied care or treatment to a patient or person seeking
assistance from the physician if the only reason for the denial is the failure or refusal
of the patient to agree to arbitrate as provided in AS 09.55.535(a); [OR]

(13) has had a license or certificate to practice medicine in another
state or territory of the United States, or a province or territory of Canada, denied,
suspended, revoked, surrendered while under investigation for an alleged violation,
restricted, limited, conditioned, or placed on probation unless the denial, suspension,
revocation, or other action was caused by the failure of the licensee to pay fees to that
state, territory, or province; or

(14) has violated AS 14.03.092.

* Sec. 2. AS 08.64.331 is amended by adding a new subsection to read:
