target dollar amount for the security offering is met; all funds shall be used in
accordance with representations made to investors;

(8) not less than 10 days before the use of any general solicitation or

(b) The administrator may by order deny or revoke the exemption specified in this section with respect to a specific security if the administrator finds that the sale of the security would work or tend to work a fraud on the purchasers of the security. An order under this subsection may not operate retroactively. A person may not be considered to have violated an order because of any offer or sale effected after the entry of an order under this subsection if the person sustains the burden of proof that the person did not know and, in the exercise of reasonable care, could not have known of the order.

(b) A registration statement and accompanying records under this section must contain or be accompanied by the following records, in addition to the information specified in AS 45.56.320, and a consent to service of process complying with AS 45.56.630:

(1) a copy of the latest form of prospectus filed under 15 U.S.C. 77a - 77aa (Securities Act of 1933);

(2) if the administrator requires, a copy of the articles of incorporation and bylaws or their substantial equivalents currently in effect; a copy of any other information or any other records filed by the issuer under 15 U.S.C. 77a - 77aa (Securities Act of 1933) requested by the administrator; a copy of any agreement with or among underwriters; a copy of any indenture or other instrument governing the issuance of the security to be registered; and a specimen, copy, or description of the security that is required by a regulation adopted or order issued under this chapter; and

The administrator shall promptly notify the registrant of an order by telephone or electronic means and promptly confirm this notice by a record. If the registrant later complies with the notice requirements of this subsection, the stop order is void as of the date of its issuance.

offering;

(7) the capitalization and long-term debt, on both a current and pro
forma basis, of the issuer and any significant subsidiary, including a description of
each security outstanding or being registered or otherwise offered, and a statement of
the amount and kind of consideration, whether in the form of cash, physical assets,
services, patents, goodwill, or anything else of value, for which the issuer or any
subsidiary has issued its securities within the previous two years or is obligated to
issue its securities;

(8) the kind and amount of securities to be offered; the proposed
offering price or the method by which the offering price is to be computed; any
variation at which a proportion of the offering is to be made to a person or class of
persons other than the underwriters, with a specification of the person or class; the
basis on which the offering is to be made if otherwise than for cash; the estimated
aggregate underwriting and selling discounts or commissions and finders' fees,
including separately cash, securities, contracts, or anything else of value to accrue to
the underwriters or finders in connection with the offering or, if the selling discounts
or commissions are variable, the basis of determining them and their maximum and
minimum amounts; the estimated amounts of other selling expenses, including legal,
engineering, and accounting charges; the name and address of each underwriter and
each recipient of a finder's fee; a copy of any underwriting or selling group agreement
under which the distribution is to be made, or the proposed form of an underwriting or
selling group agreement whose terms have not yet been determined; and a description
of the plan of distribution of any securities that are to be offered other than through an
underwriter;

(9) the estimated monetary proceeds to be received by the issuer from
the offering; the purposes for which the proceeds are to be used by the issuer; the

proceeds will be used for the purposes stated; the amounts of any funds to be raised
from other sources to achieve the purposes stated; the sources of the funds; and, if a part of the proceeds is to be used to acquire property, including goodwill, other than in the ordinary course of business, the names and addresses of the vendors, the purchase price, the names of any persons that have received commissions in connection with the acquisition, and the amounts of the commissions and other expenses in connection with the acquisition, including the cost of borrowing money to finance the acquisition;

(10) a description of any stock options or other security options outstanding or to be created in connection with the offering, and the amount of those options held or to be held by each person required to be named in (2), (4), (5), (6), or (8) of this subsection and by any person that holds or will hold 10 percent or more in the aggregate of those options;

(11) the dates of, parties to, and general effect, concisely stated, of each managerial or other material contract made or to be made other than in the ordinary course of business to be performed in whole or in part at or after the filing of the registration statement or that was made within the previous two years, and a copy of each contract;

(12) a description of any pending litigation, action, or proceeding to which the issuer is a party and that materially affects the issuer's business or assets and any litigation, action, or proceeding known to be contemplated;

(13) a copy of any prospectus, pamphlet, circular, form letter, advertisement, or other sales literature intended as of the effective date of the registration statement to be used in connection with the offering and any solicitation of interest used in compliance with AS 45.56.210(17)(B);

(14) a specimen or copy of the security being registered, unless the security is uncertificated; a copy of the issuer's articles of incorporation and bylaws or their substantial equivalents, in effect; and a copy of any indenture or other instrument covering the security to be registered;

(15) a signed or conformed copy of an opinion of counsel concerning the legality of the security being registered, with an English translation if the opinion is in a language other than English, that states whether the security when sold will be validly issued, fully paid, nonassessable, and, if a debt security, a binding obligation of
the issuer;

(16) a signed or conformed copy of a consent of any accountant, engineer, appraiser, or other person whose profession gives authority for a statement made by the person if the person is named as having prepared or certified a report or valuation, other than an official record, that is public, and that is used in connection with the registration statement;

(17) a balance sheet of the issuer as of a date within four months before the filing of the registration statement; a statement of income and a statement of cash flows for each of the three fiscal years preceding the date of the balance sheet and for any period between the close of the immediately previous fiscal year and the date of the balance sheet, or for the period of the issuer's and any predecessor's existence if less than three years; and, if any part of the proceeds of the offering is to be applied to the purchase of a business, the financial statements that would be required if that business were the registrant; and

(18) any additional information or records required by a regulation adopted or order issued under this chapter.

(c) A registration statement under this section becomes effective when the administrator orders that the registration is effective.

(d) A regulation adopted or order issued under this chapter may require as a condition of registration under this section that a prospectus containing a specified part of the information or record specified in (b) of this section be sent or given to each person to which an offer is made before or concurrently with the earliest of

(1) the first offer made in a record to the person other than by means of a public advertisement, by or for the account of the issuer or another person on whose behalf the offering is being made or by an underwriter or broker-dealer that is offering part of an unsold allotment or subscription taken by the person as a participant in the distribution;

(2) the confirmation of a sale made by or for the account of the person;

(3) payment under the sale; or

(4) delivery of the security under the sale.

Sec. 45.56.320. Securities registration filings. (a) A registration statement
may be filed by the issuer, a person on whose behalf the offering is to be made, or a broker-dealer registered under this chapter.

(b) A person filing a registration statement shall pay a filing fee established by a regulation adopted under this chapter and consent to service of process as described under AS 45.56.630.

(c) A registration statement filed under AS 45.56.305 or 45.56.310 must specify

(1) the amount of securities to be offered in this state;

(2) the states in which a registration statement or similar record in connection with the offering has been or is to be filed; and

(3) any adverse order, judgment, or decree issued in connection with the offering by a state securities regulator, the Securities and Exchange Commission, or a court.

(d) A record filed under this chapter or former AS 45.55 within five years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the record is currently accurate.

(e) In the case of a nonissuer distribution, information or a record may not be required under (i) of this section or AS 45.56.310 unless it is known to the person filing the registration statement or to the person on whose behalf the distribution is to be made or unless it can be furnished by those persons without unreasonable effort or expense.

(f) A regulation adopted or order issued under this chapter may require as a condition of registration that a security issued within the previous five years or to be issued to a promoter for a consideration substantially less than the public offering price or to a person for a consideration other than cash be deposited in escrow and that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security, either in this state or elsewhere. The conditions of any escrow or impoundment required under this subsection may be established by a regulation adopted or order issued under this chapter, but the administrator may not reject a depository institution solely because of its location in another state.
(g) A regulation adopted or order issued under this chapter may require as a condition of registration that a security registered under this chapter be sold only on a specified form of subscription or sale contract and that a signed or conformed copy of each contract be filed under this chapter or preserved for a period specified by the regulation or order, not to exceed five years.

(h) Except while a stop order is in effect under AS 45.56.360, a registration statement is effective for one year after the effective date of the registration statement or for any longer period designated in an order under this chapter during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by an underwriter or broker-dealer that is still offering part of an unsold allotment or subscription taken as a participant in the distribution. For the purposes of a nonissuer transaction, all outstanding securities of the same class identified in the registration statement as a security registered under this chapter are considered to be registered while the registration statement is effective. If any securities of the same class are outstanding, a registration statement may not be withdrawn until one year after the effective date of the registration statement. A registration statement may be withdrawn only with the approval of the administrator.

(i) While a registration statement is effective, a regulation adopted or order issued under this chapter may require the person that filed the registration statement to file reports, not more often than quarterly, to keep the information or other record in the registration statement reasonably current and to disclose the progress of the offering.

(j) A registration statement may be amended after the effective date of the registration statement. The post-effective amendment becomes effective when the administrator so orders. If a post-effective amendment is made to increase the number of securities specified to be offered or sold, the person filing the amendment shall pay a registration fee established by a regulation adopted under this chapter. A post-effective amendment relates back to the date of the offering of the additional securities being registered if, within one year after the date of the sale, the amendment is filed and the additional registration fee is paid.
Sec. 45.56.330. Notice filing of federal covered securities. (a) With respect to a federal covered security, as defined in 15 U.S.C. 77r(b) (Securities Act of 1933), that is not otherwise exempt under AS 45.56.205 - 45.56.240, a regulation adopted or order issued under this chapter may require the filing of any or all of the following records:

(1) before the initial offer of a federal covered security in this state, all records that are part of a federal registration statement filed with the Securities and Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of 1933), a consent to service of process complying with AS 45.56.630 signed by the issuer, and the payment of a fee established in a regulation adopted under this chapter;

(2) after the initial offer of the federal covered security in this state, all records that are part of an amendment to a federal registration statement filed with the Securities and Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of 1933); and

(3) to the extent necessary or appropriate to compute fees, a report of the value of the federal covered securities sold or offered to persons present in this state if the sales data are not included in records filed with the Securities and Exchange Commission and payment of a fee established in a regulation adopted under this chapter.

(b) A notice filing under (a) of this section is effective for one year commencing on the later of the notice filing or the effectiveness of the offering filed with the Securities and Exchange Commission. On or before expiration, the issuer may renew a notice filing by filing with the Securities and Exchange Commission a copy of those records filed by the issuer that are required by a regulation adopted or order issued under this chapter to be filed and by paying a renewal fee established in a regulation adopted under this chapter. A previously filed consent to service of process complying with AS 45.56.630 may be incorporated by reference in a renewal. A renewed notice filing becomes effective upon the expiration of the filing being renewed.

(c) With respect to a security that is a federal covered security under 15 U.S.C. 77r(b)(4)(D) (Securities Act of 1933), a regulation adopted under this chapter may require a notice filing by or on behalf of an issuer to include a copy of Form D,
including the Appendix, as adopted by the Securities and Exchange Commission, and
a consent to service of process complying with AS 45.56.630 signed by the issuer not
later than 15 days after the first sale of the federal covered security in this state and the
payment of a fee established in a regulation adopted under this chapter; and the
payment of a fee established in a regulation adopted under this chapter for any late
filing.

(d) Except with respect to a federal covered security under 15 U.S.C. 77r(b)(1)
(Securities Act of 1933), if the administrator finds that there is a failure to comply
with a notice or fee requirement of this section, the administrator may issue a stop
order suspending the offer and sale of a federal covered security in this state. If the
deficiency is corrected, the stop order is void as of the time of its issuance and a
penalty may not be imposed by the administrator.

Sec. 45.56.340. Viatical settlement interests. (a) Before the sale of a viatical
settlement interest, an issuer shall provide a prospective buyer with information that is
sufficient to make an informed investment decision. The issuer shall also provide the
information to the administrator upon request if the issuer is not otherwise required to
file the information with the administrator. In this subsection, "information that is
sufficient to make an informed investment decision" includes state-mandated
disclosure forms and a disclosure of any significant factors that may affect the
outcome of the investment.

(b) Except as may be required in the course of conduct of the responsibilities
of the administrator, an issuer of a viatical settlement interest may not disclose to
another person the identity of the viator or insured of the insurance policy that is the
subject of the viatical settlement interest. The viator may waive this prohibition
against disclosure if the waiver is in writing and signed by the viator.

(c) The administrator shall regulate transactions between a viatical settlement
provider or person acting as an agent of a viatical settlement provider and a
subsequent investor, while the authority of the director of the division of insurance
extends to the regulation of viatical settlement contracts under AS 21.96.110.

(d) In this section,

(1) "viatical settlement contract" has the meaning given in
AS 21.96.110(h);

(2) "viatical settlement interest"

(A) means the entire interest or any fractional interest in a life insurance policy or in the death benefit under a life insurance policy that is the subject of a viatical settlement contract;

(B) does not include the initial purchase from the viator by a viatical settlement provider;

(3) "viatical settlement provider" has the meaning given in AS 21.96.110(h);

(4) "viator" has the meaning given in AS 21.96.110(h).

Sec. 45.56.350. Waiver and modification. The administrator may waive or modify, in whole or in part, any or all of the requirements of AS 45.56.305 and 45.56.320 or the requirement of any information or record in a registration statement or in a periodic report filed under AS 45.56.320(i).

Sec. 45.56.360. Denial, suspension, and revocation of securities registration. (a) The administrator may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, a registration statement if the administrator finds that the order is in the public interest and that

(1) the registration statement as of the effective date of the registration statement or before the effective date in the case of an order denying effectiveness, an amendment under AS 45.56.320(j) as of the effective date of the amendment, or a report under AS 45.56.320(i) is incomplete in a material respect or contains a statement that, in the light of the circumstances under which it was made, was false or misleading with respect to a material fact;

(2) this chapter or a regulation adopted, order issued, or condition imposed under this chapter has been wilfully violated in connection with the offering by

(A) the person filing the registration statement;

(B) the issuer, a partner, officer, or director of the issuer or a person having a similar status or performing a similar function;

(C) a promoter of the issuer;
(D) a person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or

(E) an underwriter;

(3) the security registered or sought to be registered is the subject of a permanent or temporary injunction of a court of competent jurisdiction or an administrative stop order or similar order issued under any federal, foreign, or state law other than this chapter applicable to the offering; the administrator may not institute a proceeding against an effective registration statement under this paragraph more than one year after the date of the order or injunction on which it is based, and the administrator may not issue an order under this paragraph based on an order or injunction issued under the securities act of another state unless the order or injunction was based on conduct that would constitute, as of the date of the order, a ground for a stop order under this section;

(4) the issuer's enterprise or method of business includes or would include activities that are unlawful where performed;

(5) with respect to a security sought to be registered under AS 45.56.305, there has been a failure to comply with the undertaking required by AS 45.56.305(b)(3);

(6) the applicant or registrant has not paid the filing fee; the administrator shall void the order if the deficiency is corrected and the order was based solely on the nonpayment of the filing fee; or

(7) the offering

(A) will work or tend to work a fraud on purchasers or would operate to work or tend to work a fraud on purchasers;

(B) has been or would be made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensation, or promoters' profits or participations, or unreasonable amounts or kinds of options; or

(C) is being made on terms that are unfair, unjust, or inequitable.
(b) To the extent practicable, the administrator shall, by a regulation adopted or order issued under this chapter, publish standards that provide notice of conduct that violates (a)(7) of this section.

(c) The administrator may not institute a stop order proceeding against an effective registration statement based on conduct or a transaction known to the administrator when the registration statement became effective unless the proceeding is instituted within 30 days after the registration statement became effective.

(d) The administrator may summarily revoke, deny, postpone, or suspend the effectiveness of a registration statement pending final determination of an administrative proceeding. Upon the issuance of the order, the administrator shall promptly notify each person specified in (e) of this section that the order has been issued, the reasons for the revocation, denial, postponement, or suspension, and that, within 15 days after the receipt of a request in a record from the person, the matter will be scheduled for a hearing. If, within 30 days after the date of service of the order, a hearing is not requested and none is ordered by the administrator, the order becomes final. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing for each person subject to the order, may modify or vacate the order or extend the order until final determination.

(e) A stop order may not be issued under this section without

   (1) appropriate notice to the applicant or registrant, the issuer, and the person on whose behalf the securities are to be or have been offered;

   (2) an opportunity for hearing conducted in the manner provided in AS 45.56.650(c); and

   (3) findings of fact and conclusions of law in a record.

(f) The administrator may modify or vacate a stop order issued under this section if the administrator finds that the conditions that caused its issuance have changed or that it is necessary or appropriate in the public interest or for the protection of investors.

Sec. 45.56.405. Broker-dealer registration requirement and exemptions.
(a) A person may not transact business in this state as a broker-dealer unless the person is registered under this chapter as a broker-dealer or is exempt from registration as a broker-dealer under (b) of this section.

(b) The following persons are exempt from the registration requirement of (a) of this section:

(1) a broker-dealer without a place of business in this state if the broker-dealer's only transactions effected in this state are with

   (A) the issuer of the securities involved in the transactions;
   
   (B) a broker-dealer registered as a broker-dealer under this chapter or not required to be registered as a broker-dealer under this chapter;
   
   (C) an institutional investor;
   
   (D) a nonaffiliated federal covered investment adviser with investments under management in excess of $100,000,000 acting for the account of others under discretionary authority in a signed record;
   
   (E) a bona fide preexisting customer whose principal place of residence is not in this state if the person is registered as a broker-dealer under 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934) or not required to be registered under 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934) and is registered under the securities act of the state in which the customer maintains a principal place of residence;
   
   (F) a bona fide preexisting customer whose principal place of residence is in this state but who was not present in this state when the customer relationship was established if

   (i) the broker-dealer is registered under 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934) or not required to be registered under 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934) and is registered under the securities act of the state in which the customer relationship was established and where the customer had maintained a principal place of residence; and
   
   (ii) within 45 days after the customer's first transaction in this state, the person files an application for registration as a broker-
dealer in this state and a further transaction is not effected more than 75
days after the date on which the application is filed, or, if earlier, the
date on which the administrator notifies the person that the
administrator has denied the application for registration or has stayed
the pendency of the application for good cause;

(G) not more than three customers in this state during the
previous 12 months, in addition to those customers specified in (A) - (F) of this
paragraph and under (H) of this paragraph if the broker-dealer is registered
under 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934) or not required
and is registered under the securities act of the state in which the broker-dealer
has its principal place of business; and

(H) any other person exempted by a regulation adopted or order
issued under this chapter; and

(2) a person that deals solely in United States government securities
and is supervised as a dealer in government securities by the Board of Governors of
the Federal Reserve System, the United States Comptroller of the Currency, or the
Federal Deposit Insurance Corporation.

(c) A broker-dealer or an issuer engaged in offering, offering to purchase,
purchasing, or selling securities in this state may not, directly or indirectly, employ or
associate with an individual to engage in an activity related to securities transactions in
this state if the registration of the individual is suspended or revoked or the individual
is barred from employment or association with a broker-dealer, an issuer, an
investment adviser, or a federal covered investment adviser by an order of the
administrator under this chapter, the Securities and Exchange Commission, or a self-
regulatory organization. A broker-dealer or issuer does not violate this subsection if
the broker-dealer or issuer did not know and, in the exercise of reasonable care, could
not have known of the suspension, revocation, or bar. Upon request from a broker-
dealer or issuer and for good cause, an order under this chapter may modify or waive,
in whole or in part, the application of the prohibitions of this subsection to the broker-
dealer.
Sec. 45.56.410. Limited registration of Canadian broker-dealers and agents. (a) If a broker-dealer is registered under this section and its principal office is located in a province or territory of Canada that provides at least equivalent registration for a broker-dealer that is resident in the United States, a broker-dealer that is resident in Canada and does not have an office or other physical presence in this state may effect transactions in securities with or for or induce or attempt to induce the purchase or sale of a security by a person from Canada who is

(1) temporarily resident in this state and with whom the Canadian broker-dealer had a bona fide broker-dealer-client relationship before the person entered the United States; or

(2) resident in this state and whose transactions are in a self-directed tax-advantaged retirement plan in Canada if the person is the holder of or contributor to the plan.

(b) An agent who represents a Canadian broker-dealer registered under this section may, if the agent is registered under this section, effect transactions in securities in this state as permitted for the broker-dealer under (a) of this section.

(1) files an application in the form required by the jurisdiction in which the broker-dealer has its principal office;

(2) files a written consent to service of process under AS 45.56.630;

(3) is registered as a broker or dealer in good standing in the jurisdiction from which the broker-dealer is effecting transactions into this state and files evidence of the registration; and

(4) is a member of a self-regulating organization or stock exchange in Canada.

and

(3) is registered and files evidence of good standing in the jurisdiction from which the agent is effecting transactions into this state.

(h) A Canadian broker-dealer or agent registered under this section may renew its registration by filing by midnight on December 31 of each year the most recent renewal application, if any, filed in the jurisdiction in which the broker-dealer or agent has its principal office or, if a renewal application is not required, the most recent application filed under (c)(1) or (d)(1) of this section.

The registration of a Canadian broker-dealer or agent under this section may not be denied, suspended, or revoked except in accordance with the provisions of AS 45.56.485 for a breach of the anti-fraud provisions under AS 45.56.505 or the requirements of this section.

(l) In this section, "Canadian broker-dealer" means a broker-dealer that has its principal office in a province or territory of Canada.

Sec. 45.56.420. Registration exemption for merger and acquisition broker.

(B) has the right to vote 20 percent or more of a class of voting securities or the power to sell or direct the sale of 20 percent or more of a class of voting securities; or

(A) upon consummation of the transaction, a person acquiring securities or assets of the eligible privately held company, acting alone or in concert, will control and, directly or indirectly, be active in the management of the eligible privately held company or the business conducted with the assets of the eligible privately held company; and
(B) if a person is offered securities in exchange for securities or assets of the eligible privately held company, the person will, before becoming legally bound to consummate the transaction, receive or have reasonable access to the most recent fiscal year-end financial statements of the issuer of the securities as customarily prepared by its management in the normal course of operations and, if the financial statements of the issuer are audited, reviewed, or compiled, any related statement by the independent accountant; a balance sheet dated not more than 120 days before the date of the exchange offer; and information pertaining to the management, business, results of operations for the period covered by the foregoing financial statements, and any material loss contingencies of the issuer;

(d) A broker-dealer or an issuer engaged in offering, selling, or purchasing securities in this state may not employ or associate with an agent who transacts business in this state on behalf of broker-dealers or issuers unless the agent is registered under (a) of this section or exempt from registration under (b) of this section.

(e) An individual may not act as an agent for more than one broker-dealer or one issuer at a time, unless the broker-dealer or the issuer for which the agent acts is affiliated by direct or indirect common control or is authorized by a regulation or order issued under this chapter.

Sec. 45.56.435. Investment adviser registration requirement and exemptions. (a) A person may not transact business in this state as an investment adviser unless the person is registered under this chapter as an investment adviser or is exempt from registration as an investment adviser under (b) of this section.

(b) The following persons are exempt from the registration requirement in (a) of this section:

(1) a person without a place of business in this state that is registered under the securities act of the state in which the person has the person's principal place of business if the person's only clients in this state are

(A) federal covered investment advisers, investment advisers registered under this chapter, or broker-dealers registered under this chapter;

(D) exempt by a regulation adopted or order issued under this chapter;

(3) any other person exempted by a regulation adopted or order issued
under this chapter.

(c) An investment adviser may not, directly or indirectly, employ or associate with an individual to engage in an activity related to investment advice in this state if the registration of the individual is suspended or revoked or the individual is barred from employment or association with an investment adviser, federal covered investment adviser, or broker-dealer by an order under this chapter, the Securities and Exchange Commission, or a self-regulatory organization, unless the investment adviser did not know and, in the exercise of reasonable care, could not have known of the suspension, revocation, or bar. Upon request from the investment adviser and for good cause, the administrator may by order, waive, in whole or in part, the application of the prohibitions of this subsection to the investment adviser.

(d) An investment adviser may not employ or associate with an individual required to be registered under this chapter as an investment adviser representative who transacts business in this state on behalf of the investment adviser unless the individual is registered under AS 45.56.440(a) or is exempt from registration under AS 45.56.440(b).

Sec. 45.56.440. Investment adviser representative registration requirement and exemptions. (a) An individual may not transact business in this state as an investment adviser representative unless the individual is registered under this chapter as an investment adviser representative or is exempt from registration as an investment adviser representative under (b) of this section.

(b) The following individuals are exempt from the registration requirement of (a) of this section:

(1) an individual who is employed by or associated with an investment adviser that is exempt from registration under AS 45.56.435(b) or a federal covered investment adviser that is excluded from the notice filing requirements of AS 45.56.445; and

(2) any other individual exempted by a regulation adopted or order issued under this chapter.

(c) The registration of an investment adviser representative is not effective while the investment adviser representative is not employed by or associated with an
investment adviser registered under this chapter or a federal covered investment
adviser that has made or is required to make a notice filing under AS 45.56.445.

(d) An individual may transact business as an investment adviser
representative for more than one investment adviser or federal covered investment
adviser unless a regulation adopted or order issued under this chapter prohibits or
limits an individual from acting as an investment adviser representative for more than
one investment adviser or federal covered investment adviser.

(e) An individual acting as an investment adviser representative may not,
directly or indirectly, conduct business in this state on behalf of an investment adviser
or a federal covered investment adviser if the registration of the individual as an
investment adviser representative is suspended or revoked or the individual is barred
from employment or association with an investment adviser or a federal covered
investment adviser by an order under this chapter, the Securities and Exchange
Commission, or a self-regulatory organization. Upon request from a federal covered
investment adviser and for good cause, the administrator may by order, waive, in
whole or in part, the application of the requirements of this subsection to the federal
covered investment adviser.

(f) An investment adviser registered under this chapter, a federal covered
investment adviser that has filed a notice under AS 45.56.445, or a broker-dealer
registered under this chapter is not required to employ or associate with an individual
as an investment adviser representative if the only compensation paid to the individual
for a referral of investment advisory clients is paid to an investment adviser registered
under this chapter, a federal covered investment adviser who has filed a notice under
AS 45.56.445, or a broker-dealer registered under this chapter with which the
individual is employed or associated as an investment adviser representative.

Sec. 45.56.445. Federal covered investment adviser notice filing
requirement. (a) Except with respect to a federal covered investment adviser
described in (b) of this section, a federal covered investment adviser may not transact
business in this state as a federal covered investment adviser unless the federal
covered investment adviser complies with (c) of this section.

(b) The following federal covered investment advisers are not required to
comply with (c) of this section:

   (1) a federal covered investment adviser without a place of business in
   this state if the only clients of the federal covered investment adviser in this state are
       (A) federal covered investment advisers, investment advisers
           registered under this chapter, and broker-dealers registered under this chapter;
       (B) institutional investors;
       (C) bona fide preexisting clients whose principal places of
           residence are not in this state; or
       (D) other clients specified by a regulation adopted or order
           issued under this chapter;
   (2) a federal covered investment adviser without a place of business in
   this state if the person has had, during the preceding 12 months, not more than five
   clients that are resident in this state in addition to those specified under (1) of this
   subsection; and
   (3) any other person excluded by a regulation adopted or order issued
       under this chapter.

   (c) A person acting as a federal covered investment adviser not excluded
   under (b) of this section shall file a notice, a consent to service of process complying
   with AS 45.56.630, and the records that have been filed with the Securities and
   Exchange Commission under 15 U.S.C. 80b-1 - 80b-21 (Investment Advisers Act of
   1940) as required by a regulation adopted or order issued under this chapter and shall
   pay the fees specified by regulation adopted under AS 45.56.470.

   (d) The notice under (c) of this section becomes effective upon filing.

Sec. 45.56.450. Registration by broker-dealer, agent, investment adviser,
and investment adviser representative. (a) A person shall register as a broker-dealer,
agent, investment adviser, or investment adviser representative by filing an application
and a consent to service of process complying with AS 45.56.630 and by paying the
fee specified in AS 45.56.470 and any reasonable fees charged by the designee of the
administrator for processing the filing. The application must contain
   (1) the information or record required for the filing of a uniform
   application; and
(2) upon request by the administrator, any other financial or other information or record that the administrator determines is appropriate.

(b) If the information or record contained in an application filed under (a) of this section is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(c) If an order is not in effect, and a proceeding is not pending under AS 45.56.485, and the administrator has not initiated an investigation, registration becomes effective at noon on the 45th day after a completed application is filed, unless the registration is denied. A regulation adopted or order issued under this chapter may set an earlier effective date or may defer the effective date until noon on the 45th day after the filing of any amendment completing the application.

(d) A registration is effective until midnight on December 31 of the year for which the application for registration is filed. Unless an order is in effect under AS 45.56.485, a registration may be automatically renewed each year by filing the records required by a regulation adopted or order issued under this chapter, by paying the fee specified in AS 45.56.470, and by paying costs charged by the designee of the administrator for processing the filings.

(e) A regulation adopted or order issued under this chapter may impose other conditions, not inconsistent with 15 U.S.C. 77b, 77c, 77e, 77f, 77r, 77z-3, 77ddd, 78b - 78d, 78g, 78h, 78n, 78o, 78q, 78bb, 78ee, 78kk, 78mm, 80a-2, 80a-3, 80a-6, 80a-12, 80a-24, 80a-26, 80a-27, 80a-29, 80a-30, 80a-34, 80a-51, 80a-54, 80a-60, 80a-63, 80b-2, 80b-3a, 80b-5, 80b-10, 80b-18a, and 80b-20, and 29 U.S.C. 1002 (National Securities Markets Improvement Act of 1996). An order issued under this chapter may waive, in whole or in part, specific requirements in connection with registration that are in the public interest and for the protection of investors.

Sec. 45.56.455. Succession and change in registration of broker-dealer or investment adviser. (a) A broker-dealer or investment adviser may succeed to the current registration of another broker-dealer or investment adviser or a notice filing of a federal covered investment adviser, and a federal covered investment adviser may succeed to the current registration of an investment adviser or notice filing of another federal covered investment adviser, by filing as a successor an application for
registration under AS 45.56.405 or 45.56.435 or a notice under AS 45.56.445 for the
unexpired portion of the current registration or notice filing.

(b) A broker-dealer or investment adviser that changes its form of
organization or state of incorporation or organization may continue its registration by
filing an amendment to its registration if the change does not involve a material
change in its financial condition or management. The amendment becomes effective
when filed or on a date designated by the registrant in its filing. The new organization
is a successor to the original registrant for the purposes of this chapter. If there is a
material change in financial condition or management, the broker-dealer or investment
adviser shall file a new application for registration. A predecessor registered under this
chapter shall stop conducting its securities business other than winding down
transactions and shall file for withdrawal of broker-dealer or investment adviser
registration within 45 days after filing its amendment to effect succession.

(c) A broker-dealer or investment adviser that changes its name may continue
its registration by filing an amendment to its registration. The amendment becomes
effective when filed or on a date designated by the registrant.

(d) A change of control of a broker-dealer or investment adviser may be made
in accordance with a regulation adopted or order issued under this chapter.

Sec. 45.56.460. Termination of employment or association of agent and
investment adviser representative and transfer of employment or association. (a)
If an agent registered under this chapter terminates employment by or association with
a broker-dealer or issuer, or if an investment adviser representative registered under
this chapter terminates employment by or association with an investment adviser or
federal covered investment adviser, or if either registrant terminates activities that
require registration as an agent or investment adviser representative, the broker-dealer,
issuer, investment adviser, or federal covered investment adviser shall promptly file a
notice of termination. The registrant may file the notice of termination if the registrant
learns that the broker-dealer, issuer, investment adviser, or federal covered investment
adviser has not filed the notice.

(b) If an agent registered under this chapter terminates employment by or
association with a broker-dealer registered under this chapter and begins employment
by or association with another broker-dealer registered under this chapter, or if an
investment adviser representative registered under this chapter terminates employment
by or association with an investment adviser registered under this chapter or a federal
covered investment adviser that has filed a notice under AS 45.56.445 and begins
employment by or association with another investment adviser registered under this
chapter or a federal covered investment adviser that has filed a notice under
AS 45.56.445, then, within 30 days after the termination, upon the filing by or on
behalf of the registrant of an application for registration that complies with the
requirement of AS 45.56.450(a) and payment of the filing fee required under
AS 45.56.470, the registration of the agent or investment adviser representative is
(1) immediately effective as of the date of the completed filing, if the
agent's record or successor record in the Central Registration Depository operated by
the Financial Industry Regulatory Authority or the investment adviser representative's
record or successor record in the Investment Adviser Registration Depository operated
by the Financial Industry Regulatory Authority does not contain a new or amended
disciplinary disclosure within the previous 12 months; or
(2) temporarily effective as of the date of the completed filing, if the
agent's record or successor record in the Central Registration Depository operated by
the Financial Industry Regulatory Authority or the investment adviser representative's
record or successor record in the Investment Adviser Registration Depository operated
by the Financial Industry Regulatory Authority contains a new or amended
disciplinary disclosure within the preceding 12 months.
(c) The administrator may withdraw a temporary registration if there are or
were grounds for discipline as specified in AS 45.56.485 and the administrator does so
within 30 days after the filing of the application. If the administrator does not
withdraw the temporary registration within the 30-day period, registration becomes
automatically effective on the 31st day after filing.
(d) The administrator may prevent the effectiveness of a transfer of an agent
or investment adviser representative under (b)(1) or (2) of this section based on the
public interest and the protection of investors.
(e) If the administrator determines that a registrant or applicant for registration
is no longer in existence, has ceased to act as a broker-dealer, agent, investment
adviser, or investment adviser representative, is the subject of an adjudication of
incapacity, is subject to the control of a committee, conservator, or guardian, or cannot
reasonably be located, a regulation adopted or order issued under this chapter may
require that the registration be cancelled or terminated or the application be denied.
The administrator may reinstate a cancelled or terminated registration, with or without
hearing, and may make the registration retroactive.

Sec. 45.56.465. Withdrawal of registration of broker-dealer, agent,
investment adviser, and investment adviser representative. Withdrawal of
registration by a broker-dealer, agent, investment adviser, or investment adviser
representative becomes effective 60 days after the filing of the application to withdraw
or within any shorter period as provided by a regulation adopted or order issued under
this chapter unless a revocation or suspension proceeding is pending when the
application is filed. If a proceeding is pending, withdrawal becomes effective when
and upon the conditions required by a regulation adopted or order issued under this
chapter. The administrator may institute a revocation or suspension proceeding under
AS 45.56.485 within one year after the withdrawal became effective automatically and
issue a revocation or suspension order as of the last date on which registration was
effective if a proceeding is not pending.

Sec. 45.56.470. Fees. (a) The administrator shall establish fees by regulation
for
(1) an initial filing of an application as a broker-dealer and renewal of
an application by a broker-dealer for registration;
(2) an application for registration as an agent and renewal of
registration as an agent;
(3) an application for registration as an investment adviser and renewal
of registration as an investment adviser;
(4) an application for registration as an investment adviser
representative, a renewal of registration as an investment adviser representative, and a
change of registration as an investment adviser representative; and
(5) an initial fee and annual notice fee for a federal covered investment
adviser required to file a notice under AS 45.56.445.

(b) A person required to pay a filing or notice fee under this section may transmit the fee through or to a designee as provided by a regulation adopted or order issued under this chapter.

(c) The administrator may establish other fees by regulation as necessary to administer this chapter.

Sec. 45.56.475. Post registration requirements. (a) Subject to 15 U.S.C. 78o(i) or 80b-18a, a regulation adopted or order issued under this chapter may establish minimum financial requirements for broker-dealers registered or required to be registered under this chapter and investment advisers registered or required to be registered under this chapter.

(b) Subject to 15 U.S.C. 78o(i) or 80b-18a, a broker-dealer registered or required to be registered under this chapter and an investment adviser registered or required to be registered under this chapter shall file the financial reports required by a regulation adopted or order issued under this chapter. If the information contained in a record filed under this subsection is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(c) Subject to 15 U.S.C. 78o(i) or 80b-18a,

(1) a broker-dealer registered or required to be registered under this chapter and an investment adviser registered or required to be registered under this chapter shall make and maintain the accounts, correspondence, memoranda, papers, books, and other records required by a regulation adopted or order issued under this chapter;

(2) broker-dealer records required to be maintained under (1) of this subsection may be maintained in any form of data storage acceptable under 15 U.S.C. 78q(a) if they are readily accessible to the administrator; and

(3) investment adviser records required to be maintained under (1) of this subsection may be maintained in any form of data storage required by a regulation adopted or order issued under this chapter.

(d) The records of a broker-dealer registered or required to be registered under this chapter and of an investment adviser registered or required to be registered under
this chapter are subject to the reasonable periodic, special, or other audits or
inspections by a representative of the administrator, in or outside this state, that the
administrator considers necessary or appropriate in the public interest and for the
protection of investors. An audit or inspection may be made at any time and without
prior notice. The administrator may copy and remove for audit or inspection copies of
all records the administrator reasonably considers necessary or appropriate to conduct
the audit or inspection. The administrator may assess a reasonable charge for
conducting an audit or inspection under this subsection.

(e) Subject to 15 U.S.C. 78o(i) or 80b-18a, a regulation adopted or order
issued under this chapter may require a broker-dealer or investment adviser that has
custody of or discretionary authority over funds or securities of a customer or client to
obtain insurance or post a bond or other satisfactory form of security in an amount
established by a regulation adopted under this chapter. The administrator may
determine the requirements of the insurance, bond, or other satisfactory form of
security. Insurance or a bond or other satisfactory form of security may not be required
of a broker-dealer registered under this chapter whose net capital exceeds, or of an
investment adviser registered under this chapter whose minimum financial
requirements exceed, the amounts required by a regulation adopted or order issued
under this chapter. The insurance, bond, or other satisfactory form of security must
permit an action by a person to enforce any liability on the insurance, bond, or other
satisfactory form of security if instituted within the time limitations in
AS 45.56.660(j)(2).

(f) Subject to 15 U.S.C. 78o(i) or 80b-18a, an agent may not have custody of
funds or securities of a customer except under the supervision of a broker-dealer, and
an investment adviser representative may not have custody of funds or securities of a
client except under the supervision of an investment adviser or a federal covered
investment adviser. A regulation adopted or order issued under this chapter may
prohibit, limit, or impose conditions on a broker-dealer regarding custody of funds or
securities of a customer and on an investment adviser regarding custody of securities
or funds of a client.

(g) With respect to an investment adviser registered or required to be
registered under this chapter, a regulation adopted or order issued under this chapter
may require that information or other records be furnished or disseminated to clients
or prospective clients in this state as necessary or appropriate in the public interest and
for the protection of investors and advisory clients.

(h) A regulation adopted or order issued under this chapter may require an
individual registered under AS 45.56.430 or 45.56.440 to participate in a continuing
education program approved by the Securities and Exchange Commission and
administered by a self-regulatory organization, or, in the absence of a continuing
education program, a regulation adopted or order issued under this chapter may
require continuing education for an individual registered under AS 45.56.440.

Sec. 45.56.480. Protecting older and vulnerable adults from financial
exploitation. (a) If a broker-dealer, investment adviser, or qualified individual
reasonably believes that the financial exploitation of a covered adult may have
occurred, may have been attempted, or is being attempted, the broker-dealer,
investment adviser, or qualified individual shall notify adult protective services and
the administrator not later than five days after the broker-dealer, investment adviser, or
qualified individual develops the reasonable belief that the financial exploitation or
attempted financial exploitation has or may have occurred, or is being attempted,
except that the broker-dealer, investment adviser, or qualified individual shall notify
adult protective services and the administrator immediately upon confirmation of the
financial exploitation or attempted financial exploitation of the covered adult.

(b) The requirements of (a) of this section may not be construed to require
more than one notification for each occurrence of exploitation or attempted
exploitation.

c) If a broker-dealer, investment adviser, or qualified individual reasonably
believes that financial exploitation of a covered adult may have occurred, may have
been attempted, or is being attempted, a broker-dealer, investment adviser, or qualified
individual may notify a person whom the covered adult previously designated to be
notified about financial matters of the covered adult, as well as any other person
allowed under state or federal law or regulation, or the rules of a self-regulatory
organization, except that the broker-dealer, investment adviser, or qualified individual
may not notify a person that is suspected of engaging in financial exploitation or other abuse of the covered adult.

(d) A broker-dealer or investment adviser may delay a disbursement from an account of a covered adult or from an account on which a covered adult is a beneficiary if

(1) the broker-dealer, investment adviser, or qualified individual reasonably believes, after initiating an internal review of the requested disbursement and the suspected financial exploitation of a covered adult, that the requested disbursement may result in financial exploitation of the covered adult; and

(2) the broker-dealer or investment adviser

(A) within two business days after receiving the request for disbursement, provides written notification of the delay and the reason for the delay to all persons authorized to transact business on the account, except to a person that the broker-dealer, investment adviser, or qualified individual reasonably believes has engaged in suspected or attempted financial exploitation of the covered adult;

(B) within two business days after receiving the request for disbursement, notifies adult protective services and the administrator; and

(C) continues as necessary an internal review of the suspected or attempted financial exploitation of the covered adult and, within seven business days after receiving the request for disbursement, reports the status of the investigation to adult protective services and the administrator, and provides additional status updates to the administrator and adult protective services upon request.

(e) A disbursement delay under (d) of this section expires when the earlier of the following events occurs:

(1) the broker-dealer or investment adviser determines that the disbursement will not result in financial exploitation of the covered adult;

(2) 15 business days after the date on which the broker-dealer or investment adviser first delayed the disbursement, unless

(A) adult protective services or the administrator requests that
the broker-dealer or investment adviser extend the delay, in which case the
delay expires 25 business days after the date on which the broker-dealer or
investment adviser first delayed disbursement; or

(B) adult protective services, the administrator, or the superior
court terminates the delay.

(f) Adult protective services, the administrator, the broker-dealer or
investment adviser that initiated the delay under (d) or (e) of this section, or another
interested person may petition the superior court for an order extending a
disbursement delay or providing other relief to a covered adult, and the superior court
may enter an order providing the requested relief.

(g) A broker-dealer or investment adviser shall provide access to or copies of
records that are relevant to the suspected or attempted financial exploitation of a
covered adult to adult protective services and to state law enforcement agencies as part
of a referral to adult protective services or an investigation. The records that may be
accessed or copied under this subsection include records relating to past transactions
that may have involved financial exploitation of the covered adult as well as records
relating to the most recent transaction that may involve financial exploitation of the
covered adult. Records made available to agencies under this subsection are not public
records as defined in AS 40.25.220. This subsection does not limit or impede the
authority of the administrator to access or examine the books and records of broker-dealers and investment advisers as otherwise provided by law.

(h) A broker-dealer, investment adviser, or qualified individual acting in good
faith and exercising reasonable care under (a) - (g) of this section is immune from
administrative or civil liability for a notification, disclosure, disbursement delay, or
record sharing under (a) - (g) of this section.

(i) The following constitute the financial exploitation of a covered adult under
this section:

(1) the wrongful or unauthorized taking, withholding, appropriation, or
use of the money, assets, or other property of a covered adult; or

(2) an act or omission of a person, including an act or omission made
through the use of a power of attorney, guardianship, or conservatorship of a covered
adult, to

(A) obtain control, through deception, intimidation, or undue influence, over the covered adult's money, assets, or other property to deprive the covered adult of the ownership, use, benefit, or possession of the covered adult's money, assets, or other property; or

(B) convert the ownership, use, benefit, or possession of the covered adult's money, assets, or other property to another person.

(j) In this section,

(1) "adult protective services" means the agency that has the responsibility for providing protective services for adults; in this paragraph,

(A) "agency" has the meaning given in AS 44.64.200;

(B) "protective services" has the meaning given in AS 47.24.900;

(2) "broker-dealer" has the meaning given in AS 45.56.900;

(3) "covered adult" means a natural person who is

(A) 60 years of age or older; or

(B) a vulnerable adult;

(4) "investment adviser" has the meaning given in AS 45.56.900;

(5) "qualified individual" means an agent, investment adviser representative, or other person who is acting in a supervisory, compliance, or legal capacity for a broker-dealer or investment adviser.

Sec. 45.56.485. Denial, revocation, suspension, withdrawal, restriction, condition, or limitation of registration. (a) If the administrator finds that the order is in the public interest and (d) of this section authorizes the action, an order issued under this chapter may deny an application, or may condition or limit registration of an applicant to be a broker-dealer, agent, investment adviser, or investment adviser representative, and, if the applicant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser.

(b) If the administrator finds that the order is in the public interest and (d) of
this section authorizes the action, an order issued under this chapter may revoke, suspend, condition, or limit the registration of a registrant, and, if the registrant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser. However, the administrator may not

(1) institute a revocation or suspension proceeding under this subsection based on an order issued under a law of another state that is reported to the administrator or a designee of the administrator more than three years after the date of the order on which it is based; or

(2) under (d)(5)(A) and (B) of this section, issue an order based on an order issued under the securities act of another state unless the other order was based on conduct for which (d) of this section would authorize the action had the conduct occurred in this state.

(c) If the administrator finds that the order is in the public interest and (d)(1) - (6), (8) - (10), (12), or (13) of this section authorize the action, an order under this chapter may censure, impose a bar, or impose a civil penalty of not more than $100,000 for a single violation on a registrant and, if the registrant is a broker-dealer or investment adviser, on a partner, officer, director, or person having a similar status or performing similar functions, or on a person directly or indirectly in control of the broker-dealer or investment adviser.

(d) A person may be disciplined under (a) - (c) of this section if the person

(1) has filed, within the previous 10 years under this chapter or former AS 45.55, an application for registration in this state that, as of the effective date of registration or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained a statement that, in light of the circumstances under which it was made, was false or misleading with respect to a material fact;

(2) wilfully violated or wilfully failed to comply with this chapter or former AS 45.55 or a regulation adopted or order issued under this chapter or former AS 45.55 within the previous 10 years;
(3) has been convicted of a felony or within the previous 10 years has been convicted of a misdemeanor involving a security, a commodity future or option contract, or an aspect of a business involving securities, commodities, investments, franchises, insurance, banking, or finance;

(4) is enjoined or restrained by a court of competent jurisdiction in an action instituted by the administrator under this chapter or former AS 45.55, by a state, by the Securities and Exchange Commission, or by the United States from engaging in or continuing an act, practice, or course of business involving an aspect of a business involving securities, commodities, investments, franchises, insurance, banking, or finance;

(5) is the subject of an order issued after notice and opportunity for hearing by

(A) the securities or other financial services regulator of a state or the Securities and Exchange Commission or other federal agency denying, revoking, barring, or suspending registration as a broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative;

(B) the securities regulator of a state or the Securities and Exchange Commission against a broker-dealer, agent, investment adviser, investment adviser representative, or federal covered investment adviser;

(C) the Securities and Exchange Commission or a self-regulatory organization suspending or expelling the registrant from membership in the self-regulatory organization;

(D) a court adjudicating a United States Postal Service fraud order;

(E) the insurance regulator of a state denying, suspending, or revoking registration as an insurance agent; or

(F) a depository institution or financial services regulator suspending or barring the person from the depository institution or other financial services business;

(6) is the subject of an adjudication or determination, after notice and
opportunity for hearing, by the Securities and Exchange Commission, the Commodity
Futures Trading Commission, the Federal Trade Commission, a federal depository
institution regulator, or a depository institution, insurance, or other financial services
regulator of a state that the person wilfully violated 15 U.S.C. 77a - 77aa (Securities
1 - 80b-21 (Investment Advisers Act of 1940), 15 U.S.C. 80a-1 - 80a-64 (Investment
Company Act of 1940), or 7 U.S.C. 1 - 27 (Commodity Exchange Act), the securities
or commodities law of a state, or a federal or state law under which a business
involving investments, franchises, insurance, banking, or finance is regulated;

(7) is insolvent, either because the person's liabilities exceed the
person's assets or because the person cannot meet the person's obligations as they
mature, but the administrator may not enter an order against an applicant or registrant
under this paragraph without a finding of insolvency as to the applicant or registrant;

(8) refuses to allow or otherwise impedes the administrator from
conducting an audit or inspection under AS 45.56.475(d) or refuses access to a
registrant's office to conduct an audit or inspection under AS 45.56.475(d);

(9) has failed to reasonably supervise an agent, investment adviser
representative, or other individual, if the agent, investment adviser representative, or
other individual was subject to the person's supervision and committed a violation of
this chapter or former AS 45.55 or a regulation adopted or order issued under this
chapter or former AS 45.55;

(10) has not paid the proper filing fee within 30 days after having been
notified by the administrator of a deficiency, but the administrator shall vacate an
order under this paragraph when the deficiency is corrected;

(11) after notice and opportunity for a hearing, has been found

(A) by a court of competent jurisdiction to have wilfully
violated the laws of a foreign jurisdiction under which the business of
securities, commodities, investment, franchises, insurance, banking, or finance
is regulated;

(B) to have been the subject of an order of a securities regulator
of a foreign jurisdiction denying, revoking, or suspending the right to engage
in the business of securities as a broker-dealer, agent, investment adviser, investment adviser representative, or similar person; or

(C) to have been suspended or expelled from membership by or participation in a securities exchange or securities association operating under the securities laws of a foreign jurisdiction;

(12) is the subject of a cease and desist order issued by the Securities and Exchange Commission or issued under the securities, commodities, investment, franchise, banking, finance, or insurance laws of a state;

(13) has engaged in dishonest or unethical practices in the securities, commodities, investment, franchise, banking, finance, or insurance business;

(14) is not qualified based on factors that may include training, experience, and knowledge of the securities business; however, in the case of an application by an agent for a broker-dealer that is a member of a self-regulatory organization or by an individual for registration as an investment adviser representative, a denial order may not be based on this paragraph if the individual has successfully completed all examinations required by (e) of this section; the administrator may require an applicant for registration under AS 45.56.430 or 45.56.440 who has not been registered in a state within the two years preceding the filing of an application in this state to complete successfully an examination; or

(15) is a person whose license renewal is denied under AS 14.43.148 or whose license issuance or renewal is denied under AS 25.27.244.

(e) A regulation adopted or order issued under this chapter may require that an examination, including an examination developed or approved by an organization of securities regulators, be successfully completed by a class of individuals or all individuals. An order issued under this chapter may waive, in whole or in part, an examination as to an individual and a regulation adopted under this chapter may waive, in whole or in part, an examination as to a class of individuals if the administrator determines that the examination is not necessary or appropriate in the public interest and for the protection of investors.

(f) The administrator may suspend or deny an application summarily; restrict, condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on
a registrant before final determination of an administrative proceeding. Upon the
issuance of an order, the administrator shall promptly notify each person subject to the
order that the order has been issued, the reasons for the action, and that, within 15 days
after the receipt of a request in a record from the person, the matter will be scheduled
for a hearing. If a hearing is not requested and none is ordered by the administrator
within 30 days after the date of service of the order, the order becomes final by
operation of law. If a hearing is requested or ordered, the administrator, after notice of
and opportunity for hearing to each person subject to the order, may modify or vacate
the order or extend the order until final determination.

(g) An order may not be issued under this section, except under (f) of this
section, without appropriate notice to the applicant or registrant, and an opportunity
for hearing under AS 45.56.650(c).

(h) A person that controls, directly or indirectly, a person not in compliance
with this section may be disciplined by order of the administrator under (a) - (c) of this
section to the same extent as the noncomplying person, unless the controlling person
did not know, and in the exercise of reasonable care could not have known, of the
existence of conduct that is a ground for discipline under this section.

(i) The administrator may not institute a proceeding under (a) - (c) of this
section based solely on material facts actually known by the administrator unless an
investigation or the proceeding is instituted within one year after the administrator
actually acquires knowledge of the material facts.

Article 5. Fraud and Liabilities.

Sec. 45.56.505. General fraud. A person may not, in connection with the
offer, sale, or purchase of a security, directly or indirectly,

(1) employ a device, scheme, or artifice to defraud;
(2) make an untrue statement of a material fact or omit to state a
material fact necessary to make the statements made, in light of the circumstances
under which they were made, not misleading; or
(3) engage in an act, practice, or course of business that operates or
would operate as a fraud or deceit on another person.

Sec. 45.56.510. Prohibited conduct in providing investment advice. (a) A
person that advises others for compensation, either directly or indirectly or through publications or writings, as to the value of securities or the advisability of investing in, purchasing, or selling securities or that, for compensation and as part of a regular business, issues or adopts analyses or reports relating to securities may not

(1) employ a device, scheme, or artifice to defraud another person; or

(2) engage in an act, practice, or course of business that operates or would operate as a fraud or deceit on another person.

(b) A regulation adopted under this chapter may define an act, practice, or course of business of an investment adviser or an investment adviser representative, other than a supervised person of a federal covered investment adviser, as fraudulent, deceptive, or manipulative and may prescribe means reasonably designed to prevent investment advisers and investment adviser representatives, other than supervised persons of a federal covered investment adviser, from engaging in acts, practices, and courses of business defined as fraudulent, deceptive, or manipulative.

(c) A regulation adopted under this chapter may specify the contents of an investment advisory contract entered into, extended, or renewed by an investment adviser.

Sec. 45.56.520. Misleading filings. A person may not, in a document filed with the administrator or in a proceeding under this chapter, make or cause to be made an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading.

Sec. 45.56.530. Misrepresentations concerning registration or exemption. The filing of an application for registration, a registration statement, a notice filing under this chapter, the registration of a person, the notice filing by a person, or the registration of a security under this chapter does not constitute a finding by the administrator that a record filed under this chapter is true, complete, and not misleading. The filing or registration or the availability of an exemption, exception, preemption, or exclusion for a security or a transaction does not mean that the administrator has passed on the merits or qualifications of, or recommended or given approval to, a person, security, or transaction. A person may not make, or cause to be
made, to a purchaser, customer, client, or prospective customer or client a representation inconsistent with this section.

Sec. 45.56.540. Evidentiary burden. (a) In a civil action or administrative proceeding under this chapter, a person claiming an exemption, exception, preemption, or exclusion has the burden to prove the applicability of the claim.

(b) In a criminal proceeding under this chapter, an exemption, exception, preemption, or exclusion claimed by the defendant is an affirmative defense. In this subsection, "affirmative defense" has the meaning given in AS 11.81.900.

Sec. 45.56.550. Filing of sales and advertising literature. (a) Except as otherwise provided in (b) of this section, a regulation adopted or order issued under this chapter may require the filing of a prospectus, pamphlet, circular, form letter, advertisement, sales literature, or other advertising record relating to a security or investment advice, addressed or intended for distribution to prospective investors, including clients or prospective clients of a person registered or required to be registered as an investment adviser under this chapter.

(b) This section does not apply to sales and advertising literature specified in (a) of this section that relates to a federal covered security, a federal covered investment adviser, or a security or transaction exempted by AS 45.56.205, 45.56.210, 45.56.220, or 45.56.240, except as required under AS 45.56.205(7).

(c) The administrator may by regulation or order prohibit the publication, circulation, or use of any advertising considered false or misleading.

Sec. 45.56.560. Qualified immunity. A broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative is not liable to another broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative for defamation relating to a statement that is contained in a record required by the administrator, a designee of the administrator, the Securities and Exchange Commission, or a self-regulatory organization, unless the person knew, or should have known at the time the statement was made, that it was false in a material respect or the person acted in reckless disregard of the statement's truth or falsity.

Article 6. Administration and Judicial Review.
Sec. 45.56.605. Administration. (a) The department shall administer this chapter.

(b) The administrator or an officer, employee, or designee of the administrator may not use for personal benefit or the benefit of others records or other information obtained by or filed with the administrator that is not public under AS 45.56.615(b). This chapter does not authorize the administrator or an officer, employee, or designee of the administrator to disclose the record or information, except in accordance with AS 45.56.615(c), 45.56.620, or 45.56.645.

(c) This chapter does not create or diminish a privilege or exemption that exists at common law, by statute or regulation, or otherwise.

(d) The administrator may develop and implement investor education initiatives to inform the public about investing in securities, with particular emphasis on the prevention and detection of securities fraud. In developing and implementing these initiatives, the administrator may collaborate with public and nonprofit organizations with an interest in investor education. The administrator may accept a grant or donation from a person that is not affiliated with the securities industry or from a nonprofit organization, regardless of whether the organization is affiliated with the securities industry, to develop and implement investor education initiatives. This subsection does not authorize the administrator to require participation or monetary contributions of a registrant in an investor education program.

Sec. 45.56.610. Administrative files and opinions. (a) The administrator shall maintain, or designate a person to maintain, a register of applications for registration of securities; registration statements; notice filings; applications for registration of broker-dealers, agents, investment advisors, and investment adviser representatives; notice filings by federal covered investment advisors that are or have been effective under this chapter or former AS 45.55; notices of claims of exemption from registration or notice filing requirements contained in a record; orders issued under this chapter or former AS 45.55; and interpretative opinions or no-action determinations issued under this chapter. The register must be kept according to the existing retention schedule mandated by the department.

(b) The administrator shall make all regulations, forms, interpretative
opinions, and orders available to the public.

(c) The administrator shall furnish a copy of a record that is a public record or a certification that the public record does not exist to a person upon request. A copy of the record certified or a certificate by the administrator of a record's nonexistence is prima facie evidence of a record or its nonexistence.

Sec. 45.56.615. Public records; confidentiality. (a) Except as otherwise provided in (b) of this section, records obtained by the administrator or filed under this chapter, including a record contained in or filed with a registration statement, application, notice filing, or report are public records and are available for public examination under AS 40.25.100 - 40.25.295 (Alaska Public Records Act).

(b) The following records are not public records under AS 40.25.100 - 40.25.295 (Alaska Public Records Act) and are not available for public examination under (a) of this section:

(1) a record obtained by the administrator in connection with an audit, examination or inspection under AS 45.56.475(d) or an investigation under AS 45.56.645;

(2) a part of a record filed in connection with a registration statement under AS 45.56.105 and 45.56.305 - 45.56.320 or a record under AS 45.56.475(d) that contains trade secrets or confidential information if the person filing the registration statement or report has asserted a claim of confidentiality or privilege that is authorized by law;

(3) a record that is not required to be provided to the administrator or filed under this chapter and is provided to the administrator only on the condition that the record may not be subject to public examination or disclosure;

(4) a nonpublic record received from a person specified in AS 45.56.620(a); and

(5) a social security number, residential address unless used as a business address, and residential telephone number unless used as a business telephone number, contained in a record that is filed.

(c) If disclosure is for the purpose of a civil, administrative, or criminal investigation, action, or proceeding or to a person specified in AS 45.56.620(a), the
administrator may disclose a record obtained in connection with an audit or inspection under AS 45.56.475(d) or a record obtained in connection with an investigation under AS 45.56.645.

Sec. 45.56.620. Uniformity and cooperation with other agencies. (a) The administrator may cooperate, coordinate, consult, and, subject to AS 45.56.615, share records and information with the securities regulator of another state, Canada, a Canadian province or territory, a foreign jurisdiction, the Securities and Exchange Commission, the United States Department of Justice, the Commodity Futures Trading Commission, the Federal Trade Commission, the Securities Investor Protection Corporation, a self-regulatory organization, a national or international organization of securities regulators, a federal or state banking and insurance regulator, and a governmental law enforcement agency to bring about greater uniformity in securities matters among the federal government, self-regulatory organizations, states, and foreign governments.

(b) In cooperating, coordinating, consulting, and sharing records and information under this section and in acting by regulation, order, or waiver under this chapter, the administrator may take into consideration in carrying out the public interest the following general policies:

(1) maximizing effectiveness of regulation for the protection of investors;
(2) maximizing uniformity in federal and state regulatory standards; and
(3) minimizing burdens on the business of capital formation, without adversely affecting essentials of investor protection.

(c) The cooperation, coordination, consultation, and sharing of records and information authorized by this section includes

(1) establishing or employing one or more designees as a central depository for registration and notice filings under this chapter and for records required or allowed to be maintained under this chapter;
(2) developing and maintaining uniform forms;
(3) conducting a joint examination or investigation;
(4) holding a joint administrative hearing;
(5) instituting and prosecuting a joint civil or administrative proceeding;
(6) sharing and exchanging personnel;
(7) coordinating registrations under AS 45.56.105 and 45.56.405 - 45.56.440 and exemptions under AS 45.56.240;
(8) sharing and exchanging records, subject to AS 45.56.615;
(9) formulating regulations, statements of policy, guidelines, forms, and interpretative opinions and releases;
(10) formulating common systems and procedures;
(11) notifying the public of proposed regulations, forms, statements of policy, and guidelines;
(12) attending conferences and other meetings among securities regulators, that may include representatives of governmental and private sector organizations involved in capital formation, considered necessary or appropriate to promote or achieve uniformity; and
(13) developing and maintaining a uniform exemption from registration for small issuers and taking other steps to reduce the burden of raising investment capital by small businesses.

Sec. 45.56.625. Securities investor education and training fund. The securities investor education and training fund is created as a special fund in the general fund to provide funds for the purposes specified in 45.56.605(d). The legislature may appropriate 33 percent of the money received by this state from civil penalties under this chapter into the fund for securities investor education and training. Nothing in this section exempts money deposited into the fund from the requirements of AS 37.07 (Executive Budget Act) or dedicates money for a specific purpose.

Sec. 45.56.630. Service of process. (a) A consent to service of process complying with this section required by this chapter shall be signed and filed in the form required by a regulation adopted or order issued under this chapter. A consent appointing the administrator the person's agent for service of process in a noncriminal action or proceeding against the person or the person's successor or personal
representative under this chapter or a regulation adopted or order issued under this chapter after the consent is filed has the same force and validity as if the service were made personally on the person filing the consent. A person that has filed a consent under this subsection in connection with a previous application for registration or notice filing need not file an additional consent.

(b) If a person, including a nonresident of this state, engages in an act, practice, or course of business prohibited or made actionable by this chapter or a regulation adopted or order issued under this chapter and the person has not filed a consent to service of process under (a) of this section, the act, practice, or course of business constitutes the appointment of the administrator as the person's agent for service of process in a noncriminal action or proceeding against the person or the person's successor or personal representative.

(c) Service under (a) or (b) of this section may be made by providing a copy of the process to the office of the administrator, but the service is not effective unless

(1) the plaintiff, which may be the administrator, promptly sends notice of the service and a copy of the process, return receipt requested, to the defendant or respondent at the address set out in the consent to service of process or, if a consent to service of process has not been filed, at the last known address, or takes other reasonable steps to give notice; and

(2) the plaintiff files an affidavit of compliance with this subsection in the action or proceeding on or before the return day of the process, if any, or within the time that the court, or the administrator in a proceeding before the administrator, allows.

(d) Service under (c) of this section may be used in a proceeding before the administrator or by the administrator in a civil action in which the administrator is the moving party.

(e) If process is served under (c) of this section, the court, or the administrator in a proceeding before the administrator, shall order continuances as are necessary or appropriate to afford the defendant or respondent reasonable opportunity to defend.

Sec. 45.56.635. Applicability of the chapter. (a) Unless the persons are exempt elsewhere in this chapter, this chapter applies to persons who buy or offer to
buy when an offer to

(1) buy is made in this state; or

(2) sell is made and accepted in this state.

(b) Unless the person is exempt elsewhere in this chapter, this chapter applies
to a person who sells or offers to sell when an offer to

(1) sell is made in this state; or

(2) buy is made and accepted in this state.

(c) For the purpose of this section, an offer to sell or to buy is made in this
state, whether or not either party is then present in this state, when the offer

(1) originates from this state;

(2) is directed by the offeror to this state and received at the place to
which it is directed or at a post office in this state in the case of a mailed offer;

(3) is for an interest or participation in an oil, gas, or mining right, title,
or lease on land in this state, including submerged land, regardless of where the offer
is made;

(4) is for an interest or participation in payments out of production
under an oil, gas, or mining right, title, or lease on land in this state, including
submerged land, regardless of where the offer is made;

(5) is for an interest or participation in real property located in this
state, or in a corporation, a partnership, a limited liability company, a limited
partnership, a limited liability partnership, an association, or a joint-stock company;
jurisdiction under this paragraph may be exercised only when the exercise is
consistent with the constitution of this state or of the United States.

(d) For the purpose of this section, an offer to buy or to sell is accepted in this
state when acceptance is communicated to the offeror in this state and has not
previously been communicated to the offeror, orally or in writing, outside this state.
Acceptance is communicated to the offeror in this state, whether or not either party is
then present in this state, when the offeree directs the acceptance to the offeror in this
state reasonably believing the offeror to be in this state and the acceptance is received
at the place to which it is directed or, in the case of a mailed acceptance, at a post
office in this state.
(e) This chapter applies to investment advisers, federal covered advisers, and investment adviser representatives when any act instrumental in effecting prohibited conduct is done in this state, regardless of whether either party is then present in this state.

Sec. 45.56.640. Regulations, forms, orders, interpretative opinions, and hearings. (a) The administrator may

(1) issue forms and orders; after notice and comment, adopt and amend regulations necessary or appropriate to carry out this chapter; and repeal regulations, including regulations and forms governing registration statements, applications, notice filings, reports, and other records;

(2) by regulation, define terms, whether or not used in this chapter, but those definitions may not be inconsistent with this chapter; and

(3) by regulation, classify securities, persons, and transactions and adopt different requirements for different classes.

(b) Under this chapter, a regulation or form may not be adopted or amended, or an order issued or amended, unless the administrator finds that the regulation, form, order, or amendment is necessary or appropriate in the public interest or for the protection of investors and is consistent with the purposes intended by this chapter. In adopting, amending, and repealing regulations and forms, AS 45.56.620 applies to achieve uniformity among the states and coordination with federal laws in the form and content of registration statements, applications, reports, and other records, including the adoption of uniform rules, forms, and procedures.

(c) Subject to 15 U.S.C. 78o(i) and 80b-18a, the administrator may require that a financial statement filed under this chapter be prepared in accordance with generally accepted accounting principles in the United States and comply with other requirements specified by regulation adopted or order issued under this chapter. A regulation adopted or order issued under this chapter may establish

(1) subject to 15 U.S.C. 78o(i) and 80b-18a, the form and content of financial statements required under this chapter;

(2) whether unconsolidated financial statements must be filed; and

(3) whether required financial statements must be audited by an
independent certified public accountant.

(d) The administrator may provide interpretative opinions or issue
determinations that the administrator will not institute a proceeding or an action under
this chapter against a specified person for engaging in a specified act, practice, or
course of business if the determination is consistent with this chapter. A regulation
adopted or order issued under this chapter may establish a reasonable charge for
interpretative opinions or determinations that the administrator will not institute an
action or a proceeding under this chapter.

(e) A hearing in an administrative proceeding under this chapter shall be
conducted in public unless the administrative law judge or the administrator for good
cause consistent with this chapter determines that the hearing may not be conducted in
public.

(f) AS 44.62 (Administrative Procedure Act) applies to all regulations adopted
or authorized under this chapter.

Sec. 45.56.645. Investigations and subpoenas. (a) The administrator may

(1) conduct public or private investigations in or outside of this state
that the administrator considers necessary or appropriate to determine whether a
person has violated, is violating, or is about to violate this chapter or a regulation
adopted or order issued under this chapter, or to aid in the enforcement of this chapter
or in the adoption of regulations and forms under this chapter;

(2) require or permit a person to testify, file a statement, or produce a
record, under oath or otherwise as the administrator determines, as to all the facts and
circumstances concerning a matter to be investigated or about which an action or
proceeding is to be instituted; and

(3) publish a record concerning an action, proceeding, or an
investigation under, or a violation of, this chapter or a regulation adopted or order
issued under this chapter if the administrator determines it is necessary or appropriate
in the public interest and for the protection of investors.

(b) For the purpose of an investigation under this chapter, the administrator or
the designated officer of the administrator may administer oaths and affirmations,
subpoena witnesses, seek compulsion of attendance, take evidence, require the filing
of statements, and require the production of any records that the administrator
considers relevant or material to the investigation.

(c) If a person does not appear or refuses to testify, file a statement, produce
records, or otherwise obey a subpoena as required by the administrator under this
chapter, the administrator may refer the matter to the attorney general, who may bring
an action in the superior court or a court of another state to enforce compliance. The
court may

(1) hold the person in contempt;
(2) order the person to appear before the administrator;
(3) order the person to testify about the matter under investigation or in
question;
(4) order the production of records;
(5) grant injunctive relief, including restricting or prohibiting the offer
or sale of securities or the providing of investment advice;
(6) impose a civil penalty of not more than $100,000 for a single
violation; and
(7) grant any other necessary or appropriate relief.

(d) This section does not preclude a person from applying to the superior court
or a court of another state for relief from a request to appear, testify, file a statement,
produce records, or obey a subpoena.

(e) A person is not excused from attending, testifying, filing a statement,
producing a record or other evidence, or obeying a subpoena of the administrator
under this chapter or in an action or proceeding instituted by the administrator under
this chapter on the ground that the required testimony, statement, record, or other
evidence, directly or indirectly, may tend to incriminate the individual or subject the
individual to a criminal fine, penalty, or forfeiture. If the person refuses to testify, file
a statement, or produce a record or other evidence based on the individual's privilege
against self-incrimination, the administrator may apply to the superior court to compel
the testimony, the filing of the statement, the production of the record, or the giving of
other evidence. The testimony, record, or other evidence compelled under an order of
the superior court may not be used, directly or indirectly, against the individual in a
criminal case, except in a prosecution for perjury, contempt, or otherwise failing to comply with the order.

(f) At the request of the securities regulator of another state or a foreign jurisdiction, the administrator may provide assistance if the requesting regulator states that it is conducting an investigation to determine whether a person has violated, is violating, or is about to violate a law or regulation of the other state or foreign jurisdiction relating to securities matters that the requesting regulator administers or enforces. The administrator may provide the assistance by using the authority to investigate and the powers conferred by this section as the administrator determines is necessary or appropriate. The assistance may be provided without regard to whether the conduct described in the request would also constitute a violation of this chapter or other law of this state if occurring in this state. In deciding whether to provide the assistance, the administrator may consider whether the requesting regulator is permitted and has agreed to provide assistance reciprocally within its state or foreign jurisdiction to the administrator on securities matters when requested, whether compliance with the request would violate or prejudice the public policy of this state, and the availability of resources and employees of the administrator to carry out the request for assistance.

Sec. 45.56.650. Administrative enforcement. (a) If the administrator determines that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a regulation adopted or order issued under this chapter or that a person has materially aided, is materially aiding, or is about to aid materially an act, practice, or course of business constituting a violation of this chapter or a regulation adopted or order issued under this chapter, the administrator may issue an order

(1) directing the person to cease and desist from engaging in the act, practice, or course of business or to take other action necessary or appropriate to comply with this chapter;

(2) denying, suspending, revoking, or conditioning the exemptions for a broker-dealer under AS 45.56.405(b)(1)(D) or (F) or an investment adviser under AS 45.56.435(b)(1)(C); or
(3) denying, suspending, conditioning, or limiting an exemption as provided under AS 45.56.250.

(b) An order under (a) of this section is effective on the date of issuance. Upon issuance of the order, the administrator shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement of any civil penalty, restitution, or costs of investigation the administrator will seek, a statement of the reasons for the order, and notice that, within 15 days after receipt of a request in a record from the person, the matter will be scheduled for a hearing. If a person subject to the order does not request a hearing and none is ordered by the administrator within 30 days after the date of service of the order, the order, including the imposition of a civil penalty, the imposition of restitution, or requirement for payment of the costs of investigation sought in a statement in the order, becomes final as to that person by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing provided to each person subject to the order, may modify or vacate the order or extend it until final determination.

(c) If a hearing is requested or ordered under (b) of this section, a hearing shall be conducted by the office of administrative hearings (AS 44.64.010), and AS 44.64.040 - 44.64.200 apply to and govern the hearing.

(d) In a final order under (b) of this section, the administrator may impose a civil penalty of not more than $100,000 for a single violation, unless the violation of this chapter is against an older person or a vulnerable adult. In addition to a civil penalty imposed under this subsection, a person or entity who engages in conduct prohibited under this chapter against an older person or a vulnerable adult may be liable for an additional civil penalty of treble statutory damages. In determining whether to impose a supplemental civil penalty under this subsection, the administrator shall consider, in addition to other appropriate factors, the extent to which the following factors are present:

(1) whether the respondent knew that the respondent's conduct was directed to an older person or a vulnerable adult;

(2) whether the respondent's conduct caused an older person or a
vulnerable adult to suffer

(A) severe loss or encumbrance of a primary residence, principal employment, or source of income; or

(B) substantial loss of property set aside for retirement or for personal and family care and maintenance; or

(3) whether the respondent's conduct caused substantial loss of payments received under a pension or retirement plan or a government benefits program.

(e) In a final order under (b) of this section, the administrator may

(1) impose restitution to any person in interest for any money or property, real or personal, that may have been acquired or transferred in violation of this chapter;

(2) charge the actual cost of an investigation or proceeding for a violation of this chapter or a regulation adopted or order issued under this chapter; and

(3) deny the violator of the use of any exemptions listed under this chapter.

(f) The administrator may petition the superior court to enter a judgment against a person who is a respondent in the order for the amount of the civil penalty levied against the person. Subject to AS 44.62.570, the filing of the petition for a judgment does not reopen the final order to further substantive review. A judgment entered under this subsection may be executed on and levied under in the manner provided in AS 09.35.

(g) If a person does not comply with an order under this section, the administrator may petition a court of competent jurisdiction to enforce the order. The court may not require the administrator to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person was not in compliance with the order, the court may adjudge the person in civil contempt of the order. The court may impose a further civil penalty against the person for contempt in an amount not less than $5,000 but not greater than $100,000 for each violation and may grant any other relief the court determines is just and proper in the circumstances.
Sec. 45.56.655. Civil enforcement. (a) If the administrator believes that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a regulation adopted or order issued under this chapter, or that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business that materially aids a violation of this chapter or a regulation adopted or order issued under this chapter, the administrator may maintain an action in the superior court to enjoin the act, practice, or course of business and to enforce compliance with this chapter or a regulation adopted or order issued under this chapter.

(b) In an action under this section and on a proper showing, the court may

1. issue a permanent or temporary injunction, restraining order, or declaratory judgment;

2. order other appropriate or ancillary relief, which may include

   A. an asset freeze, accounting, writ of attachment, writ of general or specific execution, and appointment of a receiver or conservator that may be the administrator for the defendant or the defendant's assets;

   B. ordering the administrator to take charge and control of a defendant's property, including investment accounts and accounts in a depository institution, rents, and profits; to collect debts; and to acquire and dispose of property;

   C. imposing a civil penalty of not more than $100,000 for a single violation, unless the violation of this chapter is against an older person or a vulnerable adult; in determining whether to impose a supplemental civil penalty for a violation of this chapter against an older person or a vulnerable adult, the court shall consider, in addition to other appropriate factors, the extent to which the following factors are present:

      i. whether the respondent knew that the respondent's conduct was directed to an older person or a vulnerable adult;

      ii. whether the respondent's conduct caused an older person or a vulnerable adult to suffer severe loss or encumbrance of a primary residence, principal employment, or source of income; or
substantial loss of property set aside for retirement or for personal and
family care and maintenance; or

(iii) whether the respondent's conduct caused
substantial loss of payments received under a pension or retirement
plan or a government benefits program;

(D) imposing an order of rescission, or disgorgement directed
to a person that has engaged in an act, practice, or course of business
constituting a violation of this chapter or former AS 45.55 or a regulation
adopted or order issued under this chapter or former AS 45.55;

(E) imposing an order of restitution to any person in interest for
any money or property, real or personal, that may have been acquired or
transferred in violation of this chapter; and

(F) ordering the payment of prejudgment and post judgment
interest; or

(3) order other relief that the court considers appropriate.

(c) The administrator may not be required to post a bond in an action or
proceeding under this chapter.

(d) After an order issued by the court under (b) of this section becomes final
and all rights of appeal are exhausted, the administrator may petition the superior court
to enter a judgment against a person who is a respondent in the order for the amount of
the civil penalty levied against the person. Subject to AS 44.62.570, the filing of the
petition for a judgment does not reopen the final order to further substantive review. A
judgment entered under this subsection may be executed on and levied under in the
manner provided in AS 09.35.

Sec. 45.56.660. Civil liability. (a) Enforcement of civil liability under this
section is subject to P.L. 105-353 (Securities Litigation Uniform Standards Act of
1998).

of AS 45.56.105, or by means of an untrue statement of a material fact or an omission
to state a material fact necessary to make the statement made, in light of the
circumstances under which it is made, not misleading, the purchaser not knowing the
untruth or omission and the seller not sustaining the burden of proof that the seller did not know and, in the exercise of reasonable care, could not have known of the untruth or omission. An action under this subsection is governed by the following:

1. The purchaser may maintain an action to recover the consideration paid for the security, less the amount of any income received on the security, and interest at the legal rate of interest under AS 09.30.070, or eight percent a year, whichever is greater, from the date of the purchase, costs, and attorney fees as determined by the court, upon the tender of the security, or for actual damages as provided in (3) of this subsection;

2. The tender referred to in (1) of this subsection may be made any time before entry of judgment; tender requires only notice in a record of ownership of the security and willingness to exchange the security for the amount specified; a purchaser that no longer owns the security may recover actual damages as provided in (3) of this subsection;

3. Actual damages in an action arising under this subsection are the amount that would be recoverable upon a tender less the value of the security when the purchaser disposed of it, and interest at the legal rate of interest under AS 09.30.070, or eight percent a year, whichever is greater, from the date of the purchase, costs, and attorney fees as determined by the court.

2. The tender referred to in (1) of this subsection may be made any
time before entry of judgment; tender requires only notice in a record of the present
ability to pay the amount tendered and willingness to take delivery of the security for
the amount specified; if the purchaser no longer owns the security, the seller may
recover actual damages as provided in (3) of this subsection;

(3) actual damages in an action arising under this subsection are the
difference between the price at which the security was sold and the value the security
would have had at the time of the sale in the absence of the purchaser's conduct
causing liability, and interest at the legal rate of interest under AS 09.30.070, or eight
percent a year, whichever is greater, from the date of the sale of the security, costs,
and attorney fees as determined by the court.

(d) A person acting as a broker-dealer or agent that sells or buys a security in
violation of AS 45.56.405(a), 45.56.435(a), or 45.56.530 is liable to the customer. The
customer, if a purchaser, may maintain an action for recovery of actual damages as
specified in (b)(1) - (3) of this section or, if a seller, for a remedy as specified in (c)(1)
- (3) of this section.

rate of interest under AS 09.30.070, or eight percent a year, whichever is greater, from
the date of payment, costs, and attorney fees as determined by the court.

(f) A person that receives, directly or indirectly, any consideration for
providing investment advice to another person and that employs a device, scheme, or

other person. An action under this subsection is governed by the following:

fraudulent conduct, interest at the legal rate of interest under AS 09.30.070, or eight
percent a year, whichever is greater, from the date of the fraudulent conduct, costs,
and reasonable attorney fees as determined by the court, less the amount of any
income received as a result of the fraudulent conduct;

(2) this subsection does not apply to a broker-dealer or its agents if the
investment advice provided is solely incidental to transacting business as a broker-
dealer and special compensation is not received for the investment advice.

the existence of conduct because of which the liability is alleged to exist;

(2) an individual who is a managing partner, executive officer, or
director of a person liable under (b) - (f) of this section, including an individual having

care, could not have known of the existence of conduct because of which the liability
is alleged to exist;

(3) an individual who is an employee of or associated with a person
liable under (b) - (f) of this section and who materially aids the conduct giving rise to
the liability, unless the individual sustains the burden of proof that the individual did

existence of conduct because of which the liability is alleged to exist; and

(4) a person that is a broker-dealer, agent, investment adviser, or
investment adviser representative that materially aids the conduct giving rise to the
liability under (b) - (f) of this section, unless the person sustains the burden of proof
that the person did not know and, in the exercise of reasonable care, could not have
known of the existence of conduct because of which the liability is alleged to exist.

contract against any other person liable under this section for the same conduct.

(i) A cause of action under this section survives the death of an individual who
might have been a plaintiff or defendant.

(j) A person may not obtain relief under (b) of this section
(1) for a violation of AS 45.56.105, or under (d) or (e) of this section, unless the action is instituted within three years after the violation occurred; or

(k) A person that has made, or has engaged in the performance of, a contract in violation of this chapter or a regulation adopted or order issued under this chapter or that has acquired a purported right under the contract with knowledge of conduct because of which its making or performance was in violation of this chapter may not base an action on the contract.

(l) A condition, stipulation, or provision binding a person purchasing or selling a security or receiving investment advice to waive compliance with this chapter or a regulation adopted or order issued under this chapter is void.

(m) The rights and remedies provided by this chapter are in addition to any other rights or remedies that may exist, but this chapter does not create a cause of action not specified in this section or AS 45.56.475(e).

(D) if the basis for relief under this section may have been a violation of AS 45.56.660(d); and if the customer is a purchaser, an offer to pay as specified in (B) of this paragraph; or, if the customer is a seller, an offer to tender or to pay as specified in (C) of this paragraph;

caused by the conduct, and interest at the legal rate of interest under
AS 09.30.070, or eight percent a year, whichever is greater, from the date of
