With deepest respect for the religious traditions of all Alaskans, I offer this prayer.

Most holy good and gracious God, creator and preserver of all things; keep us ever mindful of our place within your creation, our dependence upon land and sea and all they provide us, and of our place and work as stewards of riches not of our own making. Keep us ever mindful that they provide not just our livelihood but life itself.

We give you thanks for all who have led us by word and example into each new day, each better day truer to our best selves and worthy ambitions. We pray their examples will lead us this day to make decisions in the best interest of every Alaskan in every corner of this great land, howsoever far removed from these halls of power they may be - by physical distance or social status. In all the long hours and trying decisions of their day, grant these servants of the people a due sense of the gratitude and appreciation we hold for them. To their families who share them with us for a season, may every grace and protection be given, may no hardship prevail, and every reunion bring joy.

For all the possibilities this new day brings, we thank you. For every challenge which calls from us our best efforts and creativity, we thank you. For partners, fellowship, and wise counsel from those we would not have thought of but in your providence provide us this day, we thank you. Upon this House may your grace abound. Amen.

The Pledge of Allegiance was led by Representative Edgmon.

**INTRODUCTION, FIRST READING, AND REFERENCE
OF HOUSE BILLS****HB 135**

HOUSE BILL NO. 135 by the House Rules Committee by request of the Governor, entitled:

"An Act providing for an effective date by delaying the effective date of the change of coverage of adult dental services under Medicaid; and providing for an effective date."

was read the first time and referred to the Health & Social Services and Finance Committees.

The following fiscal note(s) apply:

1. Fiscal, Dept. of Health & Social Services

The Governor's transmittal letter dated January 23, 2009, follows:

"Dear Speaker Chenault:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill extending the termination date for enhanced adult dental services under Medicaid, for five years. Historically, adults enrolled in Medicaid were only eligible for dental care that addressed immediate relief of pain and acute infection, which often resulted in tooth extractions. In 2006, the Legislature authorized an enhanced program, which provides preventative and restorative services to needy eligible adults under the Medicaid program. This bill would continue this enhanced program for an additional five years.

The Department of Health and Social Services reports that the program has provided access to essential dental services to needy vulnerable Alaskan adults who otherwise may not have access to these services. Coverage of routine dental care may reduce complications of pregnancy, diabetes, and cardiovascular disease. Over the long-term the enhanced dental services offer opportunities for cost-savings as the services should result in decreased need for emergent dental care, including cases of dental infection that require treatment in hospital emergency rooms.

Additionally, denture services and restoration of decayed teeth have assisted some adult Medicaid recipients with finding jobs or job advancement opportunities. This provides even more significant cost-

savings opportunities to the state and to Alaska's society as a whole, as some indigent Alaskans become able to transition to greater financial independence.

I urge your prompt and favorable action on this measure.

Sincerely,
/s/
Sarah Palin
Governor"
