Creator God, we ask that you bless these Senators of the State of Alaska as they carry out the duties of their office. Strengthen in their respective cultures and faiths that they may bring the wisdom of their homes and communities to their work. Sustain them in health of body, mind and spirit that they may have strength and stamina to reflect deeply on the issues before them and make wise decisions.

Uphold their families and communities that they may encourage and support these legislators in their work. Spare them from the burden of making choices which may be burdens to their consciences. Give them mutual respect and appreciation that they may find community in their work together.

I pray this by all the names by which you are known to us. Amen.
